What is Pickleball Rocks In A Box?

Every year we have hundreds of requests from tournaments around the country, asking if our Pickleball Rocks Team can be a vendor and/or sponsor for their tournament.

Unfortunately, there are sometimes not enough of us to go around so currently we average personally taking Pickleball Rocks to approximately 35 tournaments a year.

The “**Pickleball Rocks In A Box**” program is our way of providing **your players** with a great vending/shopping experience even though we cannot physically be there. Additionally, it allows your club or local organization to **raise money for your club or charity**.

How does Pickleball Rocks In A Box work?

With the “**Pickleball Rocks In A Box**” program we ship a big box of our famous Pickleball Rocks apparel to your tournament, at our cost, as long as you are willing to have someone local sell our products at your tournament.

Your box will include:

- A good supply of Pickleball Rocks apparel
- A Credit Card Reader
- An Inventory Tracking Sheet
- Out of Stock Order Sheets
- Instructions for running your Pickleball Rocks sales table
- Our FEDEX Account Number

During your tournament, you will be able to sell products for cash, check or credit card. If you run out of a particular size or item, you simply take payment for it, then fill out an Out of Stock Order Sheet. We will ship the product directly to your customer with zero shipping charge.

At the end of your tournament, you will count the remaining inventory and update the inventory tracking sheet. Then you simply pack all unsold inventory in the box along with the updated inventory tracking sheet and credit card reader. Then enclose a check for all cash or check sales made and use our Fedex number to ship the box back to us.

Upon receipt of the box at our warehouse, we will recount the returned inventory and issue a check equaling five dollars (\$5) for each item sold. The check can be made out to you, your club or charity, based on your instructions.
